## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The allowed claims are 1-6.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest the recitations of the specific features of the combination surgical drape and blanket, of claim 1, including especially the following:

The primary reason for the allowance of independent claim 1 is the inclusion of the specific features of the removable panel including a section of the substrate and the flexible sheet bonded to one another at a peripheral edge so that the panel is not in fluid communication with the inlet, claimed in combination with the drape's substrate, flexible sheet, interconnecting members, air inlet and vent holes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Hanssen ('885), Hanssen ('136), Griesbach, III ('837), Griesbach et al ('706), Lofgren, McDonald et al, West, Billgren and Poettgen are cited to show drapes.
